DEICAS TANNAT 2015

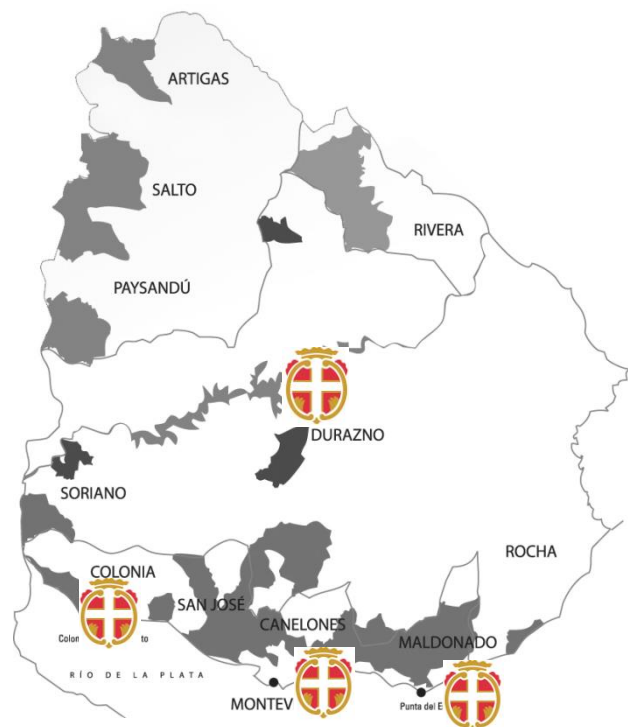

The Deicas family has dedicated the past 15 years to pioneering vineyard sites in Uruguay, leading to the development of new growing areas for Tannat, the country's emblematic varietal.

Vineyards:

San José – Maldonado – Canelones – Durazno

Wine:

A blend from four estate vineyards, the Deicas family seeks to find the perfect expression of Tannat from Uruguay, where each micro terroir contributes unique components to the final blend. The wine has a deep violet color, intense fig, floral, and mineral aromas, with a juicy palate texture and bright, fresh finish.
